# European Cross-Border Healthcare at Cyprus

*Affordable high quality treatment*

## Seeking healthcare in another EU Member State

### Did You Know?

You have the right to receive medical treatment in another EU Member State and the right to have your home country cover some or all of the costs.

You have the right to be informed about the treatment options open to you, how other EU countries ensure quality and safety in healthcare and whether a particular provider is legally entitled to offer services.

## Why Cyprus?

### Excellent Facilities

With state-of-the-art equipment providing quality assured services, in accordance with international standards.

### English-speaking

Professional, multilingual environment and interpretation services.

---

*“Cyprus have enacted the directive’s provisions into national law and completed all the necessary steps for implementation”*

---

### Flexible Timetable

Available treatments to YOUR timetable, avoiding long waiting lists.

### Help

Meet and accompany patients and accompanying person on arrival.

### Low Prices

Cyprus offers a very high standard of care and treatment at affordable prices.

### Save time to Live your Life

Almost 2.9 million people are on a waiting list for treatment at NHS hospitals - the highest level in five years, according to official figures. (Telegraph.co.uk)

### Combine Treatment and Leisure

Why not combine your treatment with a leisure travel and stay. Cyprus can offer exactly that, an attractive combination of diverse attractions, post-treatment recuperation not only for the patient but also for their accompanying family. Your journey can be a relaxing and enjoyable experience.
